

8-In-1

Programmable Digital Timer

Time 8 Activities at Once! Label Each Activity! (Up to 7 Characters)

A portable and economical alternative to equipment mounted timers, the 8-In-1 has what it takes to time your whole kitchen. Its many unique features make it easy to use and easy to see what's cooking or complete.

- Soft-touch keypad buttons
- High/Low volume control
- Color-coded time cycle lights
- 8 countdown timers with memory recall
- Hour, minute, and second adjustable
- Count up feature
- Water and grease resistant keypad and housing
- 7½" high
- Large LCD display
- Requires 9 volt battery (included) or AC adaptor (not included)
- Non-skid feet
- Can be wall mounted
- ABS plastic
